Student Announcements

Seniors - we are considering offering a free practice SAT on Saturday September 21st. This will be contingent upon enough students signing up. For now to get a head count - there is an Interest Survey sign-up sheet in the Counselors' Office. This opportunity is offered by Sylvan and is designed to provide you specific feedback results from the test showing where you have strengths and weaknesses. Only 9 seniors have signed up. We need 7-11 more seniors by the end of today.

Congressman Ruiz has opening for interns for high school seniors in the Hemet office. If you are interested please call his field Rep Shelly @ 951-765-2304.
