Attention All Students! The Hemet High School Engineering Program is looking for a few good Engineers! If you are interested in Environmental Sciences, Aerospace Engineering, or Architecture - we have the program for YOU! Hemet High School offers a variety of Engineering program choices which are designed to introduce you to the REAL WORLD of Engineering. Whether you are in Introductory Engineering, learning about the design process and how it applies to everyday projects; in Principles of Engineering, learning how to apply the design process to various projects and real world challenges; in Environmental Sustainability, learning how to design clean water resources, recycle materials, and make biofuels; or in Civil Engineering, learning how to build skyscrapers - you will be learning valuable and interesting concepts that will stay with you forever! See Mrs. Foley in Room 820B to learn more about the program OR stop by to see your counselor and sign-up today!

Off-season wrestling practice starts this week. Practices will be Monday, Tuesday, Wednesday, and Thursday 6:30-8pm. This is open for anyone who wants to try wrestling. Come on and join the fun.

The tryouts for the Senior song and National Anthem are TODAY. Pick a song of your choice. Tryouts will be both lunches in the MPR. SENIORS ONLY! If you have any questions, please see Madison O'Brien or ASB Advisor Mr. Fernandes.

Attention college-bound 9th, 10th, and 11th grade students: Not sure how the college application process works? Wondering what you should be doing now to prepare for college? Come to the College and Career Planning Workshop on Thursday, April 13, at 6:00 PM in the Hemet High School Theatre and get answers to these and other important college and career planning questions. All 9th, 10th, and 11th grades students and parents are welcome. See Mr. O in the Career Center for more information.
