## ***Student Announcements:***

Seniors, the Senior Dessert is April 26<sup>th</sup> from 6-8:30 PM. Please bring a dessert that serves up to 8 people. You will also get your graduation tickets at the dessert. You will need your school ID to get your tickets, please don't forget it!!!

Attention Seniors: The application window for the HUDSMA Scholarship is now open. Stop by the Counseling Office to pick up an application. The submission deadline is May 11th.

Ladies and Gentlemen, the next Hemet high theater production will open this Thursday and continue Friday and Saturday at 7pm. The Mouse that Roared is a hilarious play about a small country that ends up being much more powerful than it looks! Tickets are \$5 for a great evening of entertainment. We hope to see you at the show!

The LAST Saturday School for the year is THIS Saturday, April 22nd, from 8-12pm. It's a way to make up an absence and it's FUN!! The Pit and Gamer room are no longer available at Saturday School, but you can enjoy some popcorn while watching movies in the movie room. As always, the library and the computer lab will be open and we'll be serving pizza for lunch. Come join us! If you have missed one day of school this year, you should be here.

Agility Conditioning will be meeting today! If we get enough kids out we can potentially play flag football.

The Pit is open every day in the morning from 6:15 am to 7:30am and after school until 5pm!

Gamer's Club meets every morning at 6:15am in the Pit and Mondays and Fridays at 3:00pm!

SENIORS....Do you have a negative lunch balance? Your balance on your account needs to be paid off before your checkout process. Please come by the cafeteria or check with any cashier to make sure you do not owe anything.

The library will be closing at 10:50am on Wednesday April 19th for the rest of the day. Please plan ahead!

Good News! We have extended the deadline for entering the Poetry Contest until next Friday, April 21st. For more information about the contest, see Mrs. Diggins or Mrs. Rose in the Library. Bring you poem to the Library!

Attention All Students! The Hemet High School Engineering Program is looking for a few good Engineers! If you are interested in Environmental Sciences, Aerospace Engineering, or Architecture - we have the program for YOU! Hemet High School offers a variety of Engineering program choices which are designed to introduce you to the REAL WORLD of Engineering. Whether you are in Introductory Engineering, learning about the design process and how it applies to everyday projects; in Principles of Engineering, learning how to apply the design process to various projects and real world challenges; in Environmental Sustainability, learning how to design clean water resources, recycle materials, and make biofuels; or in Civil Engineering, learning how to build skyscrapers - you will be learning valuable and interesting concepts that will stay with you forever! See Mrs. Foley in Room 820B to learn more about the program OR stop by to see your counselor and sign-up today!

Christian Club meets on Tuesdays, first lunch in Room 713 and second lunch in Room 287.

Tomorrow is college T-shirt Day! Be sure to represent your favorite college!
