Student Announcements:

Students who have ordered a Fidget spinner will receive an email when it is ready to pick-up. The Robotics club is 3D printing, and hand preparing every spinner, which takes time. We received a lot of orders in just a few days, so we are asking that everyone remain patient while we work through the orders.

Adult Education courses, on and off campus, MUST be completed no later than May 11th!!! Buckle down, Bulldogs and finish it up!

Did you remember to turn in your poem? The Annual Hemet High Poetry contest entry deadline is today! Be sure to drop off a copy of your poem in the Library before you leave for the weekend.

Seniors- Don't forget to stop by the Counseling Office and check for scholarship opportunities. Deadlines are quickly approaching and you can't get a scholarship if you don't apply!

The next Blood Drive is on May 11th in honor of Cassi Tichy, a HHS student. If we raise 200+ pints of blood, Lifestream will donate \$10 per pint to a charity of the Tichy family's choice. Sign up sheets will be picked up Friday, April 21 in 3rd period. All donators will receive a \$5 In-n-out gift card.

Runners! Walkers! Friends! Family! The Janice Kelley Memorial Run is coming soon! Sign ups are available now! Go to room 502 or just visit our site on hemethigh.com. See you May 6th at Diamond Valley Lake Sports Complex 8am!!

Do you want to learn about other cultures but not quite ready to travel to another country? Maybe you and your family can host a teenage boy or girl during the 2017-18 school year. Students wanting to come to California are from Norway, Denmark, Finland, and Germany. There's also a boy who want to come for just the Fall semester from Brazil. Hosts provide a bed, three meals per day, and transportation to and from school. Students have a monthly allowance from their natural parents for entertainment, personal hygiene products, and school supplies. For more information, please send contact information to jshultz@hemetusd.org or visit www.cetusa.org to view a short informational video.

BIRTHDAYS: Richard Anderson, Christian Aviles, Joseph Granillo, Jade Harrison, Wyatt Killien, Annette Lozano, Kyle Saldana Martinez, Maria Sualez, Haven Vinyard

The LGBTQ Support Group is supporting 'The Day of Silence', Friday April 21st. 'The Day of Silence' is a day of action in which students all around the country take a vow of silence to bring awareness to the bullying and harassment faced by the LGBTQ community. You can wear red and anything rainbow to show your support. All are welcome to participate.

2017 graduates, you may begin to submit a request to send your final transcript to the college you will be attending. Transcripts will be processed the week of June 5th in the order they are received.

Students who are credit deficient and students who want to be A-G compliant need to turn in their summer school applications to Keri Jacobson in the Counseling Office ASAP. Counselors have handed out applications in person and mailed them home as well. If you need another, stop by the Counseling Office to pick one up. Summer School Session #1: June 5th- June 20th, 7:45 am- 1:05 pm and Summer School Session #2: June 21st- July 7th, 7:45 am- 1:05 pm.

Seniors, the Senior Dessert is April 26th from 6-8:30 PM. Please bring a dessert that serves up to 8 people. You will also get your graduation tickets at the dessert. You will need your school ID to get your tickets, please don't forget it!!!

Attention Seniors: The application window for the HUDSMA Scholarship is now open. Stop by the Counseling Office to pick up an application. The submission deadline is May 11th.

Ladies and Gentlemen, the next Hemet high theater production will open this Thursday and continue Friday and Saturday at 7pm. The Mouse that Roared is a hilarious play about a small country that ends up being much more powerful than it looks! Tickets are \$5 for a great evening of entertainment. We hope to see you at the show!

The LAST Saturday School for the year is TOMORROW from 8-12pm. It's a way to make up an absence and it's FUN!! The Pit and Gamer room are no longer available at Saturday School, but you can enjoy some popcorn while watching movies in the movie room. As always, the library and the computer lab will be open and we'll be serving pizza for lunch. Come join us! If you have missed one day of school this year, you should be here.

SENIORS....Do you have a negative lunch balance? Your balance on your account needs to be paid off before your checkout process. Please come by the cafeteria or check with any cashier to make sure you do not owe anything.

Attention All Students! The Hemet High School Engineering Program is looking for a few good Engineers! If you are interested in Environmental Sciences, Aerospace Engineering, or Architecture - we have the program for YOU! Hemet High School offers a variety of Engineering program choices which are designed to introduce you to the REAL WORLD of Engineering. Whether you are in Introductory Engineering, learning about the design process and how it applies to everyday projects; in Principles of Engineering, learning how to apply the design process to various projects and real world challenges; in Environmental Sustainability, learning how to design clean water resources, recycle materials, and make biofuels; or in Civil Engineering, learning how to build skyscrapers - you will be learning valuable and interesting concepts that will stay with you forever! See Mrs. Foley in Room 820B to learn more about the program OR stop by to see your counselor and sign-up today!

Christian Club meets on Tuesdays, first lunch in Room 713, second lunch in Room 287.
