

Hemet High Bands

Is An Amazon.com Affiliate!

HHS Bands earns 4-8% of purchases made through the Amazon.com link on our website (hemethighbands.com). If you shop directly at Amazon.com, the band does not receive any funds. Click on the Amazon.com banner on the right side of our website and it will link you directly to Amazon.com. Everything you already have with Amazon.com still works through our website link (i.e. your account settings, Amazon Prime).

If you have trouble remembering to visit the **HHS Band's** website first, bookmark our page as Amazon.com. Each time you click on the bookmark it will take you to the **HHS Bands** page, click on the banner at the right and all your purchases will earn money for the band!
