Hello Bulldogs! Welcome back to the 2020-2021 school year! The process to obtain a **work permit for the 2020-2021 school year**, while we are distance learning, will be as follows:

1. Email jdaniels@hemetusd.org for a work permit application or you can download one directly from the California Department of Education

website: <https://www.cde.ca.gov/ci/ct/we/workpermitsforstudents.asp> [CDE Form B1-1 \(DOC\)](#)

2. Scan (preferred) or send a picture of your completed work permit application 1to jdaniels@hemetusd.org (Please make sure all sections - Minor information, Parent information, and Employer information - are completed to avoid delays in processing your permit application)

3. Please allow a minimum of 24 hours for your work permit application to be processed. The actual work permit will be emailed to you once it has been approved (usually within 24-48 hours)

All employed students under the age of 18 MUST have a current work permit on file.

**Work permits that were issued during the summer expired 08.17.20 - You must apply for a new work permit for the Fall semester - Do not delay as processing times may be longer due to the amount of requests received. You must have and maintain at least a 2.0 GPA and maintain at least a 90% attendance rate to be eligible for a work permit (check your attendance! 2's and 3's are absences from classes and may affect your work permit eligibility!)."*

Hemet High Cross Country Team will hold their regular **Peach Fundraiser** this year. Available September 14th or 15th depending on when the truck gets here. Due to the short notice the Team had, sales are first come first serve, sorry no pre-orders. It will be a "No Contact" type sale on the east side of the Track (football) Stadium, pay when you pick them up. Cost is \$20 a box. Question? Contact Coach Karl rkarl@hemetusd.org
