Hello Bulldogs!

All current work permits will expire on June 11th. If you will be working over the summer, you MUST apply for a new work permit.

1. Print out the blank [Work Permit Application](#) and take it to your employer (you DO need a job to apply for a work permit).
2. Scan (preferred) or send a picture of your completed work permit application to jdaniels@hemetusd.org (Please make sure all sections - Minor information, Parent information, and Employer information - are completed to avoid delays in processing your permit application)
3. Please allow a minimum of 24 hours for your work permit application to be processed. The actual work permit will be emailed to you once it has been approved (usually within 24-48 hours) **All employed students under the age of 18 MUST have a current work permit on file. *You must have and maintain at least a 2.0 GPA and maintain at least a 90% attendance rate to be eligible for a work permit.**

Scholarships

Attention JUNIORS - It is not too early to start looking at scholarship opportunities. The College Board Opportunity Scholarship is a unique program that rewards students for following six steps which align directly with the college-planning process. Every 11th grade student is eligible to participate, and half of the scholarships are designated for families earning less than \$60,000 per year. Please click on the flyer [College Board Scholarship Flyer](#) or visit <https://opportunity.collegeboard.org/> for more information.
